to make a bed

**HOT WASH**  
For thermal disinfection,  
after every use

**EASYCARE**  
No creases, minimises  
pressure sores

**FULL BEDDING RANGE**  
Maximum patient comfort

**More info:** Polycotton knitted interfit pillowcases and sheets are made with a four-way stretch fabric and are designed to be very easy to fit on the pillow. The fabric doesn't crease and requires no ironing.

This latex free stretchy fabric contains no elastic, so you don't need to be concerned about patient allergies.
