

Patient Specific Transfer Sheets

Material: 100% Polypropylene, Non-Woven
Colour: Dark Blue
Washable: Not suitable for laundering

Size	Product Code	NPC
85cm x 194cm	PH700-85194---BLUV95	TLC85039
110cm x 194cm	PH700-110194---BLUV95	TLC85038

To be used for turning, repositioning and lateral transfers of patients to a maximum weight capacity of 400kg. Each sheet is non-slip and latex free, so you can leave the sheet under a patient for as long as required. Additionally, both sides of the sheet have 6 ergonomic handles cut out of the hem for increased ease of use.
